The Honorable

My dear Mr. Ambassador:

I regret the circumstances which made it inadvisable for us to get together on my recent trip to [redacted] but I am sure you fully understand these circumstances.

It was most gracious of you to make your private suite available to me in [redacted]. This suite was most comfortable and its use most appreciated.

The Conference was most constructive and excellently planned and handled throughout.

I trust that we will have an opportunity for a visit in the near future and again, my appreciation for your hospitality.

Sincerely,

SIGNED

John A. McCone
